Limited Products Warranty

EZ Lock Incorporated in Baton Rouge, Louisiana, U.S.A., warrants products against defects in material and workmanship for a period of five years for hardware and limited lifetime warranty on ECU-6 touch pads and ECM's. Providing the products are properly installed by an authorized dealer certified technician and are operated properly by the end user.

This warranty is limited to the original purchaser and does not cover defects in the vehicle into which it is installed, or defects in the products caused by a defect in any part of the vehicle. This warranty does not cover applications to any wheelchair that has not been previously tested by EZ Lock Incorporated, and approved for use in an EZ Lock system, nor does it cover any installations that are effected in a manner that is inconsistent with the installation instructions or guidelines provided for the specific application.

This warranty commences on the date of the original retail purchase or original use, whichever occurs first, providing the lower portion of this warranty registration card is fully and accurately completed and returned to EZ Lock Inc. within 10 working days.

EZ Lock Inc. will under no circumstances accept liability for loss of the use of the product or vehicle in which it is installed or loss of time. EZ Lock Inc. will under no circumstances accept liability for damage or injury resultant from the use of system components that are not of our manufacture, or the application of system components to a wheelchair that has not been approved for use with the EZ Lock wheelchair restraint system by EZ lock Incorporated.

This warranty will become null and void if the product has been damaged through accident, misuse, or neglect, or if the product has been altered in any respect. Defective parts must be returned by an authorized dealer, shipping prepaid and with a prior return authorization number, for inspection before repair or replacement, at our option, can be made.

This warranty is in lieu of any other warranty or condition, including merchantability or fitness for a particular purpose.
